- Mary Poppins
 - Place full-page ad in program. Mary Dolansky will make the ad. The amount was already approved in the annual budget so it does not need a vote.
 - Star Sales – Need Chairperson and will need to purchase more Stars. Last year we sold 17 dozen and this year we will have an additional show.
- Executive Board met on Wednesday, February 1st
 - Request was made by Janis Kundmueller to send 2 free Pasta Dinner tickets to the Grande, Nemeth and Bierman families for all their hard work as past Pasta Dinner Chairpersons
 - Board approved
 - Last April, Dr. Schatt made a request for financial assistance with the cost of the Disney trip if needed. The assistance with the cost was to keep the trip under \$1,000 per traveler. At the time, the amount was not known or even if the money would be needed. At the End of January 2017, Dr. Schatt asked if the Boosters could help with \$35 per traveler. The total request was for \$3,745. Dr. Schatt will also be paying additional monies via fundraising.
 - Board approved after discussing the following points:
 - This is a one-time request
 - Travelers should expect that the cost is going to rise and could be over \$1,000 next trip
 - There is plenty of fundraising available over the 2 years if parents take advantage of it
 - Dr. Schatt provided additional detail: There are 107 travelers. Selecting a different bus company reduced the cost of the bus. The school decided that we would take 3 buses rather than 2, and that the number of students would not be restricted. For the next trip a vendor selection process will occur, but given the projected number of band members we expect that 2 buses will be sufficient.
