Dear Music Department Parents,

Welcome to the IHS Music Department!

Graduates, current students, and parents agree that involvement in the Music Department is one of the most rewarding and memorable experiences of high school life. The Independence Music Boosters provide assistance in achieving this goal.

The Music Boosters' mission is to foster and encourage student development in the musical arts. The Music Boosters support all facets of the IHS music program, including vocal, band, and drama. The Music Boosters keep parents informed of events, and offer parents an opportunity to contribute, maximizing the benefit to their child and all Music Department students.

We invite you to join the IHS Music Boosters in planning and participating during the upcoming school year. The following is a brief outline of annual events. We hope this outline will help you and your student enjoy the IHS Music Department and help you decide to become a Music Booster.
