Tim will confirm costs.

- Boy's basketball to compete against Wickliffe at the Painesville Harvey site.

- Request has been made to move the two cross country state championship banners to the rafters in the competition gym. This would require new two-sided banners. Tim to explore quote for new banners.

- A request to display the Harold A. Meyer sportsmanship award banner in the competition gym was made by Jerry Narduzzi.
- Tim Skoczen, responding to questions posed by an individual, asked the group to recap their reasons that led to the decision to not purchase individual state championship rings for the cross country teams. The reason for the decision was based on the thought that this is a 'personal' choice for athletes and coaches.
- James Jackson was named the Independence high school football coach.
- Craig Polman was named the high school track coach.
