- Boosters have been offered a fundraising opportunity by Bill Furman. SOKOL USA group will be holding their annual event at the field house around the July 4th holiday, and groups are needed to run the concessions. We have agreed to participate, and will offer to share the opportunity with the Music Boosters group.
- How should our group handle requests from teams for financial support for parties? A flat rate per team was considered; the group decided to continue to address requests on an individual basis.
- Athletic Boosters have agreed to provide a letter of endorsement for the upcoming school levy in November. Joe Kanyok will finalize letter and each officer will sign.
